## OF THE

### UNDER-SECRETARY OF STATE FOR EXTERNAL AFFAIRS.\*

To the Honourable CHARLES MURPHY, K. C., M. P.  
Secretary of State for External Affairs.

SIR,—I have the honour to submit herewith a report on the affairs of the Department of External Affairs covering the first year of its existence.

The Act by which the Department was created was brought into operation by proclamation of the Governor General on June 1, 1909, and steps were forthwith taken for its organization and for the inception of its work. Temporary accommodation having been obtained in the House of Commons building, it was possible to begin operations early in July. About the middle of October its location was transferred to quarters in the Trafalgar building, at the corner of Queen and Bank Streets, where it is now established.

In addition to the current business of the Department, a highly important and laborious part of its work is the laying of foundations for its future usefulness by collecting and arranging the papers recording the history of Canada's external relations. Good progress has been made with this work, especially as regards the more recent papers, but much remains to be done.

The current correspondence with which the Department has been called on to deal, has been concerned with subjects of perhaps rather more than usual interest, as will appear from the following brief review.

#### TRADE RELATIONS.

##### CONVENTION WITH FRANCE.

The Supplementary Convention signed January 23, 1909, modifying the Convention of September 19, 1907, regulating the commercial relations between Canada and France, was approved by the Canadian Parliament in an Act which took effect on December 3, 1909, and both Conventions were ratified and became operative on February 1, 1910.

The general effect of these two Conventions which are to remain in force, unless previously denounced, for ten years, and thereafter until the expiry of twelve months from the day on which either of the two parties shall have denounced them, is to give to certain Canadian products enumerated in Schedule A of the Convention, the benefits of the French minimum tariff, in return for the concession to the French products specified in Schedule B, of the Canadian Intermediate tariff, and of special rates to other products named in Schedule C.

\* This report is carried down to the 30th June, 1910.

9-10 EDWARD VII., A. 1910

## ARRANGEMENT WITH GERMANY.

As a result of informal negotiations between the Minister of Finance and the Imperial German Consul for Canada, the contention of Germany that German products should receive in Canada the same treatment as the products of the United Kingdom was abandoned, and a provisional commercial agreement arranged whereby in return for the admission of a list of specified Canadian products to the benefits of the German Conventional tariff, the application of the surtax of  $33\frac{1}{3}$  per cent, imposed on German imports into Canada was suspended.

Effect as from March 1, 1910, was given to this agreement by an Order of the Governor General in Council, dated February 14, 1910, and a Notice of the German Federal Council dated February 24, 1910.

This agreement is a provisional one, made in contemplation of the negotiation of a formal Convention, and if such a Convention is not entered into within a reasonable time, may be terminated on two months' notice.

## ARRANGEMENT WITH ITALY.

As in the case of Germany, an informal agreement was entered into between the Minister of Finance and the Royal Consul of Italy whereby specified Canadian products were to be admitted to Italy on payment of the Conventional import duties, in return for the admission into Canada at Intermediate tariff rates of specified products of Italy.

Effect was given to this agreement, in so far as Canada was concerned, by an Order of the Governor General in Council dated June 7, 1910.

Like the arrangement with Germany, this agreement was made in contemplation of a formal Convention, and is liable to be terminated on two months notice if such a Convention is not concluded within a reasonable time.

## ARRANGEMENT WITH BELGIUM.

The tariff treatment granted to Canadian products by Belgium having been considered to warrant concessions from Canada, the Canadian Government by Order in Council of June 7, 1910, extended the benefit of the Intermediate tariff to specified Belgian products.

## ARRANGEMENT WITH THE NETHERLANDS.

On the same grounds a similar concession by Order in Council of June 7, 1910, was made to like products of the Netherlands.

## UNITED STATES.

The enactment of the United States Tariff Act on August 5, 1909, by which the President of the United States was empowered to grant the benefits of the minimum tariff to the products of such countries as did not unduly discriminate in their tariff treatment against United States products, raised the question whether the Franco-Canadian Treaty, the benefits of which were automatically extended under most favoured nation clauses in certain treaties to various foreign nations, among which the United States was not included, did not effect such a discrimination.

In order to satisfy himself that he would be justified in applying the minimum tariff to Canadian products, the President invited the Minister of Finance to Albany to discuss the subject. As an outcome of this discussion Canada

agreed to reduce the general tariff on thirteen named articles, on which, under the Treaty, France had been granted the Intermediate tariff, to the level of the Intermediate tariff. This agreement was carried into effect by the passing of an Act by the Canadian Parliament to amend the Customs Tariff, and the President issued a Proclamation admitting Canadian products to the benefits of the minimum tariff.

It has been arranged that the question of the commercial relations between the two countries shall form the subject of further negotiations.

## WEST INDIES COMMISSION.

With the object of promoting closer trade relations and developing mutual trading facilities between Canada and the British West India Colonies, a Commission, dated August 9, 1909, was issued by His Majesty's Government appointing the Right Honourable Lord Balfour of Burleigh, K. T., the Honourable W. S. Fielding, the Honourable William Paterson, Sir John Poynder Dickson-Poynder, Bart., D. S. O., and Sir Donald Morris, K. C. M. G., to investigate and report upon the measures to be taken for this end.

In furtherance of the objects of the Commission, meetings were held at various points in Canada in the autumn of 1909; and a tour of the principal West India Islands arranged for, commencing towards the end of January. On this tour Mr. Paterson accompanied his fellow commissioners, but owing to pressure of Parliamentary duties Mr. Fielding was unable to join them.

Further meetings were held in London in June, 1910.

## OTHER TREATIES.

TREATY WITH UNITED STATES *re* BOUNDARY WATERS.

This Treaty, as approved by the United States Senate in its Resolution of March 3, 1909, which stipulated that the Treaty should not be construed so as to affect or change existing rights at the rapids of Sault Ste. Marie, or to interfere with the drainage of swamp or overflowed lands into streams flowing into boundary waters, was accepted by Canada, and the final ratifications exchanged on May 5, 1910.

Its object is to prevent disputes regarding boundary waters which, broadly speaking, it defines as waters and connecting waterways along the international boundary between Canada and the United States passes. Navigation of such waters for purposes of commerce is made free to the inhabitants and vessels of both countries equally, and the like freedom is extended to the waters of Lake Michigan and to all canals connecting boundary waters.

Each Government reserves exclusive jurisdiction and control over the use and diversion of all waters on its own side of the boundary line which in their natural channel would flow across the boundary; but it is agreed that any interference with such waters on either side of the line, resulting in injury on the other shall give rise to the same rights and entitle the injured parties to the same legal remedies as if such injury took place in the country where the interference occurs.

No obstruction or diversion of boundary waters, except by special agreement, is to be made hereafter save by the authorities of the Dominion of Canada or of the United States within their respective jurisdictions, and with the approval of the International Joint Commission established by the Treaty. The approval of that Commission is also made necessary to the construction or maintenance of any remedial or protective works or dams in waters flowing from boundary waters, or in waters at a lower level than the boundary, in rivers flowing across

9-10 EDWARD VII., A. 1910

the boundary, the effect of which is to raise the natural level of waters on the other side of the boundary. Provision is also made to prevent the pollution of boundary waters on either side to the injury of health or property on the other.

A limit is placed upon the diversion of water from the Niagara river so that the level of Lake Erie and the flow of the river may not be appreciably affected.

The diversion of water above the falls for power purposes allowed to the United States is not to exceed in the aggregate a daily diversion at the rate of 20,000 cubic feet per second, that allowed to Canada is not to exceed in the aggregate a daily diversion at the rate of 36,000 cubic feet per second.

It is agreed that the St. Marie and Milk rivers, and their tributaries (in the State of Montana and the Provinces of Alberta and Saskatchewan) shall be treated as a single stream for purposes of irrigation and power, and their waters shall be equally apportioned between the two countries.

An International Joint Commission is constituted to consist of six Commissioners, three appointed by the United States and three by Canada, which is to have jurisdiction over and to pass upon cases involving the obstruction or diversion of boundary waters.

It is further provided that other questions and matters of difference arising between the two countries involving the rights, obligations or interests of either in relation to the other or to the inhabitants of the other along the common frontier shall be referred to the Commission for examination and report, and that any questions or matters of difference arising, involving the rights, obligations or interests of either country in relation to the other or their respective inhabitants may be referred for decision to the same tribunal.

#### TREATY FOR PRESERVATION OF FISHERIES IN INTERNATIONAL BOUNDARY WATERS OF APRIL 11, 1908.

Under the authority conferred by this Treaty, Joint Regulations were drawn up by Professor E. E. Prince and Professor D. S. Jordan, the International Fisheries Commissioners, and were simultaneously laid before the Parliament and the United States Congress on February 4, 1910.

#### NORTH ATLANTIC COAST FISHERIES ARBITRATION.

Under the General Convention of Arbitration between Great Britain and the United States of April 4th, 1908, a Special Agreement was signed on January 27, 1909, arranging for the reference to arbitration of the long-standing questions of difference in regard to the interpretation of the provisions of the Convention of 1818 relative to the North Atlantic Coast Fisheries.

The Arbitration Tribunal chosen by mutual agreement from among the members of the Permanent Court at the Hague consists of Dr. Heinrich Lammasch, President, His Excellency Luis M. Drago, Jonkheer A. F. de Savornin Lohman, the Honourable George Gray and the Right Honourable Sir Charles Fitzpatrick. The Honourable A. B. Aylesworth was appointed British Agent, and Mr. Chandler Anderson, Agent of the United States.

The pleadings were duly exchanged between the two parties as provided by the agreement and the oral argument began at the Hague on June 1.

#### DELIMITATION OF BOUNDARY IN PASSAMAQUODDY BAY.

The provision made in the Demarcation of Boundaries Treaty with the United States, of 1908, for the delimitation of two portions of the International

## SESSIONAL PAPER No. 29b

Boundary in Passamaquoddy Bay by mutual agreement having expired before such agreement was reached, it became necessary, in order to give effect to a compromise arranged between the two Governments by which Pope's Folly Island was relinquished to the United States and Canada retained the Upper Middle Grounds, to conclude a new treaty. Such a treaty fixing the boundary in accordance with a description settled by the British and United States Boundary Commissioners so as to carry out the compromise was signed on May 21, 1910.

## DEMARCATON OF BOUNDARY.

Further progress was made during the season of 1909 under the Alaska Boundary Convention of 1906, in the survey and demarcation of the 141st meridian of west longitude where it forms the international boundary, so as to complete that work between a point near the Natazhat Ridge and the Yukon River, a distance of 215 miles, with the exception of the vista cutting for a distance of 57 miles and the placing of the final monuments for about 101 miles.

Correspondence has taken place with the United States Government in regard to the condition of the sealing industry and the question of the necessity of further measures for the protection of the fur-seal species; and the conclusion of an agreement for settling various outstanding pecuniary claims of subjects of His Majesty against the United States Government and of citizens of the United States against His Majesty's Government has also been the subject of negotiations.

I have the pleasure in expressing my satisfaction with the manner in which the members of the staff have discharged their duties during the past year.

I have the honour to be,

Sir,

Your obedient servant,

JOSEPH POPE,

*Under-Secretary of State for External Affairs.*

OTTAWA, June 30th, 1910.

## PASSPORTS REQUIREMENTS OF FOREIGN COUNTRIES.

NOTE.—British subjects travelling abroad are recommended to furnish themselves with passports, for even in those countries where they are no longer obligatory they are found to be useful as affording a ready means of identification in case of need.

ARGENTINE REPUBLIC.—Passengers for the Argentine Republic should carry Passports, and are advised to also carry certificates of birth. Persons born in His Majesty's dominions should, if they intend to become resident, even for a short time, obtain from a British Consulate in the Republic a Certificate of Nationality for purposes of identification, and to secure exemption from military service.

AUSTRIA-HUNGARY.—Persons entering Hungary from Servia or Roumania must be provided with passports. Although, in other cases, passports are not legally necessary, travellers are advised to carry them. For purposes of residence a passport or other document to prove identity is necessary.

BELGIUM.—It is desirable for travellers to possess passports. For purposes of residence, registration at the Police Office of the district is required, and a passport is accepted as evidence of identity.

BOLIVIA.—See *Peru*.

BRAZIL.—Passports not actually required, but travellers are advised to carry them for purposes of identification. If intending to become resident they should register their names and addresses at the nearest British Consulate.

NOTE.—Naturalized British subjects should bear in mind that their naturalization has no effect within the limits of the Foreign State to which they originally belonged, unless they have ceased to be subjects of that state, in the manner prescribed by the laws thereof, or in pursuance of a treaty or convention to that effect.

1. Applications for passports should be made in writing and enclosed in a cover addressed to "THE HONOURABLE THE SECRETARY OF STATE FOR EXTERNAL AFFAIRS, OTTAWA".

2. The charge for a passport, whatever number of persons may be named in it, is two dollars. The fee payable must accompany the application. Postage stamps will not be received as payment.

3. Passports are granted only to British-born subjects or to persons naturalized in the Dominion of Canada. A married woman is deemed to be a subject of the state of which her husband is for the time being a subject.

4. Passports are not valid after five years from the date of issue. Fresh passports must then be obtained. When the party is a naturalized British subject he will be so designated in his passport.

5. Passports are granted to all persons either known to the Secretary of State or recommended to him by some person who is known to him; or upon the production of a declaration by the applicant, a blank form of which may be obtained at this Department, verified by a declaration made by any banking firm or by any mayor, magistrate, justice of the peace, minister of religion, physician, surgeon, solicitor, or notary resident in the Dominion of Canada. In certain cases, the applicant's certificate of birth must be produced in addition to the declaration.

6. If the applicant for a passport be a naturalized British subject, his certificate of naturalization must be forwarded to the Department of External Affairs with the declaration; and his certificate of naturalization will be returned with the passport to the person who has communicated with this Department in the applicant's behalf for delivery to the latter.
